

Cell and Gene Therapy for Integrated Health Systems

Wednesday, July 31, 2024 12-1 p.m.

Target Audience

Physicians, pharmacists, nurse practitioners, physician assistants, nurses, pharmacy technicians and all interested healthcare providers are welcome.

Learning Objectives

- Review the scientific basis for cell and gene therapies (CGTs).
- Exam CGTs' current landscape, technologies and research and development.
- Review FDA-approved CGTs, therapeutic implications and considerations for use.
- Consider outlook of near-launch CGTs.

Register

To register or to learn more, please visit suttermd.com/virtualgrandrounds.

How To Join

Visit our website or use this information to join the seminar on the day of the event:

Meeting link: meetsutter.zoom.us

Meeting ID: 943 8684 1836

Passcode: 676712

Continuing Education Units are not guaranteed for each event. All registered attendees will receive notification of eligibility.
