

The Mental Health Needs of Perinatal Patients

Wednesday, November 13, 2024 12-1 p.m.

Target Audience

All providers who care for perinatal and reproductive-age people are welcome.

Learning Objectives

- Recognize the landscape of perinatal mental health disorders.
- Describe the risks of untreated perinatal mental health disorders and identify treatment options.
- Consider a risk framework for counseling patients about psychiatric medication use during pregnancy and lactation.
